*"If we abide by the principles taught in the Bible, our country will go on prospering and to prosper; but if we and our posterity neglect its instruction and authority, no man can tell how sudden a catastrophe may overwhelm us and bury all our glory in profound obscurity."*

### AT THE BALLOT BOX!

Rodney Nulph

We are certainly blessed to live in a nation where each and every American of voting age can cast his/her ballot and have a part in choosing our governmental leaders. In just a few weeks, we will be casting our votes for the man who will be president for the next 4 years. Although sadly, at this point, no New Testament Christians are running for this high office, we still need to consider for whom we are casting our vote. This article is in NO way political, but altogether spiritual. Christians are such, no matter what activity with which we are engaged. For example, when I am in the woods hunting, I am still a Christian and must conduct myself as such. The same applies to the voting booth. To cast our faith to the side when we cast our vote is hypocritical. Our faith determines the people we endorse and promote. Let us consider 3 guiding helps as we enter the voting booth as God's children.

Firstly, we must consider the PAST of every candidate. How has he voted on issues that directly affect our faith? For example how has the candidate voted when it comes to the sanctity of human life and abortion

of unwanted babies? A Christian would never want to support a person who directly goes against what God has said regarding human life (Genesis 9:6; Romans 1:31; 13:9). How has the candidate voted in regards to marriage? Does he support extending the right to marry to same sex couples? Our faith cannot allow us to bury our heads in the sand, nor only be concerned with the financial and material ideals of a particular candidate.

Secondly, we must consider the PRINCIPLES of every candidate. Does he recognize that America began and was founded on “Christian” and moral integrity? Does he hold to the traditions and values that have made America great in the past? Is he really a man of courage, conviction, and moral fiber? The “Commander and Chief” of a godly nation must have some godly principles! Does he honor and believe in the One, True God of the Bible? What is the candidate’s attitude toward Planned Parenthood, the A.C.L.U., and other such groups?

Thirdly, we must consider the POTENTIAL of every candidate. Can this man really take America and bring her back to a God-fearing nation once again? Christians understand that the only way America can continue is if we become once again a moral, righteous nation (Proverbs 14:34), and that begins with righteous leaders (Proverbs 11:11)! Sadly, many Americans, even some Christians, will look only at the political and material side of a candidate. “Which candidate can make my wallet fatter” should never be our deciding factor on a ballot!

Many are saying that this election is the most important election of our lifetime. For Christians, this election is not about a particular political party or the economy, but rather this is about values, principles, and morality. We, as God’s children, must make our voices heard through the election process. But please remember, as you enter the voter booth; consider the PAST, the PRINCIPLES, and the POTENTIAL of the candidates before you cast your vote. With Bible in one hand and ballot in the other, we CAN make a difference! May God once again bless America!

.....  
*“Righteousness exalteth a nation: but sin is a reproach to any people” (Proverbs 14:34).*

## DON'T BURY LIVE PEOPLE

When a person replaces the direct command to be baptized **for the remission of sins** (Acts 2:38)

In favor of man's command to be baptized as **an outward sign of an inward change**, There is a condemnable contradiction of doctrine.

If a person is saved before baptism

**("An outward sign of an inward change")**

Then baptism becomes an act of burying a live person.

**WARNING:** that is illegal both on earth and in Heaven!

Study Romans 6:3-4. Submit to the death, burial and resurrection **For the remission of sins!**
